- Turkish *Limited working proficiency*

About Me

Along with my degree in Computer Engineering, I recently completed an intensive back-end bootcamp at Re:Coded, enhancing my expertise in programming and learning a new language. My enthusiasm and keen interest in becoming a full-stack developer drive my continuous self-improvement. I'm passionate about continuous learning and adapt quickly to change. My experience includes working in sizable teams, meeting tight deadlines, and thriving in dynamic environments.

Education

Back Web Development – Re:Coded

Mar 2023 – Aug 2023

Re:Coded Immersive bootcamps are highly competitive, with a 5% acceptance rate.

- Completing a 4.5-month immersive web development bootcamp, with 300+ hours of curricula and project-based learning
- Technologies: Node.js, Express.js, MongoDB, Swagger Documentation

Computer Engineering – Al-Hadbaa University

Sep 2010 – Jun 2014

It was a four-year degree where we studied various subjects.

- C++, Assembly Language, Electronics and DSP.

Projects

Cats Cookiz

Jun 2023 – Aug 2023

Built "Cats Cookiz" platform connecting cooks and food enthusiasts with seamless sign-up, Google/Facebook integration, using Node.js, Express.js, and MongoDB. Led backend development, ensuring user-friendly experience and data management.

Professional Experience

Researcher – Lagash Media

Oct 2019 – Jun 2023 /Full Time

- Refined complex information into digestible content and maintained a keen eye for comedic elements.
- Contributed to the show's success by providing valuable insights and assisting in the development of captivating scripts.

Tour Guide – Hop-in Hop-off

Feb 2018 – Jun 2019 /Full Time

- Led groups of varying sizes, ensuring their safety and comfort throughout the tour.
- Shared historical facts and local insights about Istanbul's architecture, traditions, and cultural heritage.

Outreach Volunteer– samaritan's purse

Oct 2016 – Apr 2017 /Full Time

- Worked in teams where we visited the refugee families in Ankara to learn about their situation and provide them with the help they needed.
- Provided interpretation to help facilitate access to aid kits and medical devices for special health conditions.
